### EFORT Webinar | Anterior Shoulder Instability: Treatment Options

Monday 30 September 2019 | 19:00-20:00 Central European Time

This webinar will address the following topics:

- First time anterior dislocation: How I manage? Przemyslaw Lubiowski (Poland)
- Recurrent Dislocation: How I manage? Antonio Cartucho (Portugal)
- Conservative treatment and pain management. Cathy Barrett (UK)

#### Learning objectives:

Do you experience problems while managing shoulder dislocation patients?

When do I prefer conservative treatment?

What is best timing for surgery?

or

What type of surgery is the best choice: arthroscopic repair vs Laterjet?

Wouldn't you like to hear about specific surgical tricks, friendly advice and inspiring ideas from prominent experts witnessing countless numbers of cases every year?

This Webinar is organised by the EFORT Orthopaedic Education Group independent of any commercial educational support and hosted by m-events.
